Vortex Connect • 411 Richmond St. E., Toronto, ON

Vortex Connect is an innovative, industry leading team, committed to leveraging mobility to enhance workforce and operational management. We are passionate about building the best mobile applications to strengthen business-to-employee (B2E) communications. We build real, useful, business applications for the latest iPhone/iPad, Android, and Blackberry devices (yes, we have all the toys in-house!). Among our satisfied customers are hospitals, police forces, restaurants, and stadiums, both here in Canada and globally.

We move at a brisk pace in our cool converted loft space in downtown Toronto. Our start-up environment is a fantastic place to contribute, learn, and have fun. We have an experienced team including former employees of Microsoft, RIM, Rogers, Workbrain, and more.

If you're interested in taking your career to new heights along with a team of smart, friendly, and agile professionals, come and join us at Vortex Connect. We offer a competitive salary, health and dental benefits, and flexible hours.

WHAT YOU'LL BE DOING:

- 🌀 Testing web applications and mobile applications on mobile devices and emulators
- 🌀 Understanding and validating all functional requirements for our applications
- 🌀 Designing, implementing and following test scripts
- 🌀 Logging issues in a clear, detailed and concise manner into our bug tracking system
- 🌀 Verifying and troubleshooting all customer reported issues
- 🌀 Ensuring a high level of quality in customer deliveries

WHAT YOU'LL BRING:

- 🌀 Familiar with BlackBerry, iPhone and Android mobile devices would be a great asset
- 🌀 Ability to think outside the box and always looking for different ways to solve problems
- 🌀 Passion for new technology and interest in the newest mobile devices in market
- 🌀 Must be detail-oriented with a test to break attitude
- 🌀 Experience in writing and following test plans/scripts
- 🌀 Excellent written and oral communication skills
- 🌀 Previous software development experience is a plus
- 🌀 Self-motivated, well-organized, creative and analytical in approach

NICE TO HAVE:

- 🌀 Ping pong skills
