

Systems Administrator

Vortex Connect • 411 Richmond St. E., Toronto, ON

Vortex Connect is an innovative, industry leading team, committed to leveraging mobility to enhance workforce and operational management. We are passionate about building the best mobile applications to strengthen business-to-employee (B2E) communications. We build real, useful, business applications for the latest iPhone/iPad, Android, and Blackberry devices (yes, we have all the toys in-house!). Among our satisfied customers are hospitals, police forces, restaurants, and stadiums, both here in Canada and globally.

We move at a brisk pace in our cool converted loft space in downtown Toronto. Our start-up environment is a fantastic place to contribute, learn, and have fun. We have an experienced team including former employees of Microsoft, RIM, Rogers, Workbrain, and more.

If you're interested in taking your career to new heights along with a team of smart, friendly, and agile professionals, come and join us at Vortex Connect. We offer a competitive salary, health and dental benefits, and flexible hours.
